

TYPHOON RELIEF EFFORTS

Haiyan Typhoon Victims Need Your Support

Your inventory can immediately assist those in need as they put their lives together

As you know, a massive typhoon ravaged the Philippines two weeks ago, leaving thousands dead and tens of thousands homeless. The aftermath of the storm is now threatening the country with deadly outbreaks of disease. As people begin to recover their lives over the next few weeks, the need for assistance is enormous.

Fashion Delivers and Kids in Distressed Situations (K.I.D.S.) are mobilizing the manufacturing and retail communities to help those in need through the donation of new product. **We are in dire need of basics: t-shirts, jeans, underwear, socks, rubber-soled shoes, blankets and towels.**

Operation Compassion, their partner agency, is cleared to ship product to the affected areas. We are collecting product now and Operation Compassion estimates that after consolidating and organizing shipments, deliveries will reach land in the next six to eight weeks.

If you would like to donate, please [CLICK HERE](#) or call Tadd Zarubica at (310) 612-0316. Additional contact: Carla Fattal: (212) 279-5493, Ext. 201

Thank you for helping us bring hope to families both on our shores and abroad
