

FIHRA Update **(Fashion Industry Human Resource Association)**

The *California Fashion Association* implements the *Fashion Industry Human Resource Association ('FIHRA')*: an organization for the Human Resource Managers of manufacturing, distribution, and retailing groups within the fashion, apparel, and textile industry. FIHRA programming and news bulletins are part of CFA's continuing effort to be of assistance to its members.

Review of February 13, 2016 FIHRA meeting. Guest speakers, Laura Worsinger (Dykema, Gossett PLLC) and Jill Jacoby (Hub International) addressed two current topics facing the industry today: "Millennials in the Workplace" and "Repeal, Replace or Remodel: What Lies Ahead for the ACA & Your Health Plan"

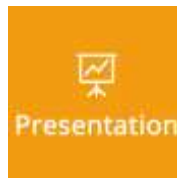

The CFA is committed to bringing its members important news and informational seminars on an ongoing basis. We hope to see you at our next meeting!
