...a PROJECT of the CITY OF LOS ANGELES

Manufacturing Protective Gear

Mayor Garcetti and his staff are working to secure and protect the people of Los Angeles from COVID-19. The following specific criteria for participating companies interested in being part of the data base and match-making opportunities in the [LAProtects.org](https://laprotects.org) program.

- The company must be located in the City of Los Angeles.
- The company must be a licensed garment manufacturer, and supply a current Registration number.
- The company agrees to implement social distancing guidelines as well as disinfection protocols for workstations and high use areas.
- Acknowledges that LA Business Ambassadors will visit the facility to ensure that social distancing at work guidelines are being followed.

If you are located in the City of Los Angeles, and have your manufacturing in the City of Los Angeles, and you are a licensed garment manufacturer, please submit your form. The [LAProtects](https://laprotects.org) program can be accessed with this link [LAProtects.org](https://laprotects.org).
