

WEBINAR: Harness The Power of 3D Technology Future-Proof Your Business Wednesday, November 25 | 9:00am PST

3D innovation webinar to discover how **Centric PLM™** and **Browzwear™** have joined forces with fully-integrated 3D digital design and development, uniting 3D technology with Product Lifecycle Management (PLM).

3D technology can transform the way your organization works:

- Reduce dependency on physical samples
- Speed up time to market
- Facilitate better communication with your supply chain

Centric Software is focused exclusively on the product development requirements of retail, apparel, footwear, luxury goods and consumer goods companies.. An easy-to-use approach to line planning, calendar management, materials management, technical design and continuous improvement of retail execution.
