WEBINAR:

“The Current and Future State of Retail”

Thursday October 8th | 11am PDT

Mark Burstein, President and Chief Strategy Officer of New Generation Computing (NGC) hosts the ‘Supply Chain Summit-DISRUPTION RX’ virtual event.

“Getting the right products to customers, when and where they want them, requires a new level of visibility, flexibility and agility to optimize lead time and balance product supply and demand.”

Hear how leading retailers are addressing these supply chain challenges:

- Rebound from shocks to your digital supply chain and seize new opportunities.
- NGC customers, industry experts and thought leaders come together to discuss how businesses can run smarter and faster, driving growth and boosting profitability.
- Strategies that will help you make smart, data-driven decisions faster.

Speakers:

- Colin Browne, Chief Operations Officer, Under Armour
- Tim Taylor, Chief Supply Chain Officer, Jockey International
- Cameron Bailey, Executive Vice President, Global Supply Chain, VF Corporation
