EMPLOYMENT LAW ALERT WEBINARS**

WEBINAR 2021

COVID-19 Vaccine in the Workplace:

Thursday, January 14 | 10:00am PDT

As the COVID-19 vaccine becomes a reality, employers need to determine their workplace policies. Organizations with essential workers, or those who cannot maintain social distancing, may consider mandatory vaccination programs.

Understand what you can and can't do when it comes to employment law and employee benefits regulations.

Topics:

- Can employers require their employees to get vaccinated?
- If vaccines are required, what are the options for administering them?
- Will the cost be covered under health benefits?
- How does the COVID vaccine fit into my corporate wellness strategy?

“Strategies For Infectious Disease Prevention”

Guidance for California Manufacturers

Wednesday, January 20th | 10:00am-11:00am PST

CMTC hosts a webinar on how to prepare for the next health crisis.

Changing our habits now can have a dramatic effect on our collective health outcomes in the future.

- Measures that employers should take for future protection of their workforce.
- The role of HR in infectious disease prevention in the workplace.
- Transmission modes and mitigation strategies
- Common exposure points and barriers
- Administrative modifications and Human Resources policies

Speakers:

Eliot Dratch and Jeri Summer, CMTC

About CMTC: California Manufacturing Technology Consulting (CMTC) is a non-profit consulting company that helps manufacturers increase ROI by improving efficiency.
