CFA Important Update!

We Moved!

The **California Fashion Association** has moved its physical Los Angeles office to another location. After more than 25 years downtown, it was time for us to 'cover' another part of the city...after all, it is still only twenty-five minutes away.

As we have throughout the Covid shut-down, we will continue to provide our membership, and all interested parties, with current business information about the fashion business.

Please make any necessary adjustments within your organization to reflect the new address below. We look forward to seeing you all in person soon!

Thank you,
Ilse Metchek
