Webinar:
**‘Off The Rails’:
Overcoming Logistics Roadblocks**

Featuring CFA Member, Vincent Iacopella,
EVP Growth and Strategy, Alba Wheels Up.

A host of logistics problems threaten the efforts of Retailers and Brands to restock the racks.

Congested ports make getting goods to the right place at the right time almost impossible.

Though the outlook is improving, retailers are wondering what will be available this holiday season. Apparel and textile firms are looking for answers that will allow them to **reliably** deliver products.

The discussion:

- Uncertainty is affecting capacity
- How the trade war has resulted in lopsided cargo flow
- Impact on raw materials availability
- Effective contingency planning
- The current focus of U.S. Customs and Border Protection
